O R D E R

On December 18, 1989, the city of Taylor Mill, Kentucky, ("Taylor Mill") moved for leave to intervene in this matter. After reviewing Taylor Mill's motion and being otherwise sufficiently advised, the Commission finds that:

1. Taylor Mill has a special interest in this proceeding. It purchases bulk quantities of water for resale from Kenton County Water District No. 1 ("Kenton County"). Taylor Mill alleges that this proceeding may affect the rate at which it must purchase its water from Kenton County.

2. No other party to this proceeding can adequately represent Taylor Mill's interest.

3. Taylor Mill's intervention is likely to present issues and develop facts that will assist the Commission in fully considering Kenton County's application without unduly complicating or disrupting these proceedings.

IT IS THEREFORE ORDERED that Taylor Mill is granted leave to fully intervene in these proceedings.

Done at Frankfort, Kentucky this 19th day of December, 1989.
